

CHORD PROGRESSION CHEAT SHEET

Choose a chord progression, then change it using the following methods:

What to change:

RHYTHM

CHORD
VOICINGS

TECHNIQUE

How to change it:

1. Change positions of down/ upbeats
2. Swapping rhythm for another with a similar groove
3. Replacing rhythm with something else entirely

1. Change chords within the same function/ tonality
2. Use inversions of each chord

Swap out one technique for another. Examples:

1. Palm muting
2. String skipping
3. Hybrid picking
4. Broken chord/ Arpeggiating the chord
